

ACQUISITION PROFILE

We are continuously looking for building plots and properties in need of renovation in the greater Basel-Stadt and Basel-Land area. We develop distinctive living environments with real substance – thoughtfully considered in terms of architectural quality, financial viability, and social impact.

WHAT WE ARE LOOKING FOR

ARTIMUS is continuously looking for existing properties and apartment buildings with redevelopment or refurbishment potential. Our focus is on Basel-Stadt and comparable urban areas in the German-speaking part of Switzerland.

BUILDING PLOTS & EXISTING PROPERTIES

- Existing properties with up to three residential units
- Undeveloped plots or developed plots with buildings to be demolished
- Residential properties
- Private owners or communities of heirs seeking a discreet and trustworthy transaction
- Conditions ranging from in need of renovation to developable

INVESTMENT VOLUME

- Single properties: CHF 1 million to CHF 10 million
- Direct acquisition by ARTIMUS
- Fast decision-making processes and discreet transaction guaranteed
